Press Note.

The Inter-Departmental Committee on Planning, which was set up by Government in May last on the advice of the Planning Commission of the Government of India for the purpose of securing the necessary co-ordination between the Departments of Government themselves and affording the close collaboration and assistance to the Planning Commission continued to function. The work of this Committee is not intended in any way to affect the Mysore Economic Conference, the re-organisation of which is separately engaging the attention of the Government. The Chief Secretary to Government, the Secretary to Government, Law Department and the Commissioner on Special Duty have since been appointed as additional members of the aforesaid committee. This Committee met thrice during the half-year ending December 1950 and considered important subjects like the State's participation in industries, housing of industrial lalour, 6-year development programme for India for securing public association and co-operation, immediate economic programme, etc.

In response to a request from the Planning Commission, a detailed note on industrial policy, together with full particulars of the several industrial concerns sponsored or aided by Government were furnished to the Commission. In acknowledging the note, the Planning Commssion have stated that Mysore has done more in this direction than any other part of the country and therefore a record of its experience is of the highest value.

A forecast of the resources likely to be available during the five-year period from 1951-52 to 1955-56 in respect of Mysore was got prepared by the Financial Secretary to Government and furnished to the Planning Commission. Two-year and Five-year Development Plans, received from the several departments are under consideration. A fifteen year programme of development of irrigation and power in the State and of the creation of a non-lapsable Irrigation Development Ways and Means Fund for the execution of the programme are also under consideration.
